

STOCKHOLDERS ASK FOR DISSOLUTION OF INSURANCE CO. HERE

Committee Is Named At District Building Meeting to Take Matter to Court.

MAY ASK FOR JUDGMENT

Civil Action Against Croom W. Walker Is Voted By Meeting including Number of Visitors

Preceding the adoption of resolutions asking an investigation by the District Attorney's office with a view to such prosecution as the developments may warrant, stockholders of the National Capital Life Insurance Company, at a meeting at the District Building late yesterday afternoon, decided to ask for the dissolution of the company.

A committee consisting of Dr. Douglas Mackall, Wilton J. Langert and W. Gwynn Gardner was appointed to present the petition for dissolution to the court. Mr. Gardner, secretary of a committee appointed by the stockholders to investigate the condition of the company submitted a report stating that there remained in the treasury \$7,486.25, which sum the court will be asked to divide among the shareholders.

Croom W. Walker, the originator of the company, Mr. Gardner said, is not in Washington and his whereabouts are unknown to the committee.

Want a Judgment.

It was decided, however, to endeavor to obtain a judgment against Walker by civil action.

Following consideration of the report of the committee, it was moved that it be discharged and Dr. Mackall was elected chairman of the meeting. D. L. Richmond acting as secretary.

No opposition was offered to the motion that the company be dissolved. Superintendent of Insurance Nesbit advised this action, stating that it would be impossible for the company to do business without meeting with many difficulties and obstacles. The company, according to the report of the investigating committee, was incorporated in the District by Walker in December of 1911. Its original capital was \$25,000.

Just prior to April, 1915, says the report, there was incorporated what is known as the National Capital Life Insurance Agency.

Company Incorporated.

The company was incorporated by Croom W. Walker, A. D. McKenney and George G. Hynson. It appears that this company was incorporated for the purpose of succeeding the National Capital Life Insurance Company as the promoting agency for the National Capital Life Insurance Company.

Methods by which the stock of the National Capital Life Insurance Company was sold were brought to the attention of the committee. The Superintendent of Insurance, and an investigation was begun by his department, which was followed by an investigation by a committee of stockholders. In the report of the latter committee it is stated "the committee finds that the officers of the National Capital Life Insurance Company, with the exception of one, had no real interest in the company, that they held their name on share each of its capital stock, which it appears was the stock originally issued to the original board of directors."

The meeting was attended by a number of out-of-town subscribers.

Gridiron Hero Is Kissed by 'Prexy'

And His Fellow-Students? Well, They Cheered, Cheered and Cheered.

DENVER, Nov. 22.—College presidents are not usually overenthusiastic, but to receive a chaotic salute of congratulation on the cheek after the Russian custom from a "prexy" is a new one to Colorado gridiron heroes.

Chancellor Henry A. Buchtel, of Denver University, is not an admiring hearted about football victories—not by a long shot, especially when the victories are few and far between.

To show his appreciation of Denver's victory over Colorado University he approached Capt. D. H. Sherwell at a student rally, and gave him a kiss on each cheek, while the astonished students went wild with applause.

HOT TEA BREAKS A COLD—TRY THIS

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve, and drink a teaspoon full at any time. It is the most effective remedy to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.—Adv.

SUIT SHOWS DOCTOR PUT IN \$99,568 BILL

Amount Set Against Estate of Woman, Four Years Ill, Who Left \$130,000.

NEW YORK, Nov. 22.—A doctor's bill for \$99,568 against the estate of Mrs. Nellie M. Noe, who died March 9, 1914, leaving property worth about \$130,000, was disclosed in the surrogate's court when the executors asked the surrogate to construe the will.

The bill was presented by Dr. Joseph Byrne, of 24 West 104th street, who says he attended the decedent on an average of three times a day for four years. The executors have rejected the bill, but are willing to have the amount payable determined by the surrogate.

The will made direct bequests of \$5,000 and gave half the residue to Robert "Calderon" and the other half to the Presbyterian Hospital. The executors have allowed claims of \$5,000 and \$1,500 each for Anne Doyle and Annie Quinn, respectively, for nursing Mrs. Noe. They want the surrogate to determine whether they shall sell real estate valued at \$100,000 to pay the bequests.

EAT BIG MEALS! NO INDIGESTION OR BAD STOMACH

"Pape's Diapepsin" makes weak stomachs strong and healthy at once.

Instantly stops sourness, gases, heartburn, acidity, dyspepsia.

There would not be a case of indigestion or dyspepsia here if readers who are subject to stomach trouble knew the tremendous anti-ferment and digestive virtue contained in Pape's Diapepsin. This harmless preparation will digest a heavy meal without the slightest fuss or discomfort, and relieve the sorest, acid stomach in five minutes, besides overcoming all foul, nauseous odors from the breath.

Ask your pharmacist to show you the formula plainly printed on each 50-cent case of Pape's Diapepsin, then you will readily understand why this promptly overcomes indigestion and removes such symptoms as heartburn, a feeling like a lump of lead in the stomach, belching of gas and eructations of undigested food, water brash, acidity, nausea, headache, biliousness, and many other bad symptoms; and, besides, you will not need laxatives to keep your stomach, liver, and intestines clean and fresh.

If your stomach is sour and full of gas, or your food doesn't digest, and your meals don't seem to fit, why not get a 50-cent case from your druggist and make life worth living? Absolute relief from stomach misery and perfect digestion of anything you eat is sure to follow five minutes after, and besides, one case is sufficient to rid a whole family of such trouble.

Surely, a harmless, inexpensive preparation like Diapepsin, which will always either at daytime or during night, relieve your stomach misery and digest your meals, is about as handy and valuable a thing as you could have in the house.—Adv.
